*United  
Buying Service*

UBS is the local car buying service that works with nearly 100 local dealers and has pre-negotiated the lowest price on virtually every make and model of car or truck on the market.

### All you have to do to get started

- Call a UBS Consumer Advisor to explain to you the process and answer your questions.
- Receive a Free Purchase Certificate that entitles you to the UBS price.
- Take your certificate to the trained UBS representative at the recommended dealership.
- Request it, and UBS will audit your purchase and arrange and adjustments in the price if necessary.

### You'll receive -

- **Great Savings** - The UBS Official Price Book showing the pre-negotiated savings available through UBS is located in The University of Maryland Faculty/Staff Club's Office at the Rossborough Inn as well as each dealership. Additional Manufacturer's rebates and incentives, when available, will reduce your UBS price even further.
- **Great Service** - Your UBS trained salesperson will offer a complete product demonstration and explain the UBS savings price.
- **And Much, Much, More** - UBS dealers will appraise your trade-in and can help with a used car purchase. Manufacturer's incentive money will further lower your cost. In addition, UBS also offers savings on furniture, audio/video and cellular air time savings.

After your visit, as part of our members first commitment, UBS will audit your final purchase transaction, when requested, to insure you receive the full savings available.

Remember to check out this great benefit. You are assured of Service, Satisfaction, Savings, and Buying Success with UBS, a local standard for 30 years.
